Credits	2		Allocated Year	Spring, 2025
Active Learning	Student-centered instruction Critical Thinking strategies Small Group Discussions		Compulsory or Elective	Elective
Course Overview	This course is designed to provide students with a comprehensive understanding of Australian culture and language. The syllabus is divided into two main sections: 70% focused on cultural aspects and 30% on language learning. Through interactive lessons, discussions, and real-life experiences, students will gain valuable insights into Australia's rich heritage, traditions, language, and social norms.			
Course Objectives	<p>By the end of this course, students will be able to:</p> <ol style="list-style-type: none"> 1. Demonstrate a basic understanding of Australian culture, including religion, politics, history, holidays, festivals, places, food, music, and sports. 2. Participate in real-life experiences comparing/contrasting with your country. 3. Examine how Australia and its Western traditions differs from Japan and other Asian traditions
